II. Question and Answers

1. Why couldn't his parents understand his message?

A) Dudi's parents did not know what the details in each picture represented.

2. How did Dudi feel after he had given the messages to his parents?

A) He was proud that he could find a way to remember the messages though he could not write them down.

3. Do you think Dudi was a responsible boy? Give reason.

A) As Dudi could not write long messages he thought of drawing the messages so that his parents would get to know the important messages. This shows he was a responsible boy.

4. Where were Dudi's parents?

A) Dudi's parents had gone out.
